Multilateral Agreement M370

under section 1.5.1 of ADR concerning the carriage of "Meals, Ready-to-Eat" with flameless ration heaters containing magnesium alloy powder assigned to UN 2813

1. "Meals, Ready-to-Eat" (MRE) with flameless ration heaters containing small quantities of UN 2813, water-reactive solid, n.o.s.; packing group I may be carried without being subject to other provisions of the ADR provided the following conditions are met:

a. Transport is carried out by or on behalf and under the responsibility of the armed force of a Contracting Party, or by or on behalf of a force lawfully present in the territory of a Contracting Party, including civilian commercial carriers under the order or contract of such forces;

b. The flameless ration heater contains 8 g or less of UN 2813, water-reactive solid, n.o.s.; packing group I;

c. The flameless ration heater is packed in a hermetically sealed water-proof inner packaging and the inner packaging is placed in a hermetically sealed waterproof intermediate packaging with the MRE; and

d. The intermediate packaging is packed in a strong outer packaging meeting the general requirements of sub-section 4.1.1.1 and 4.1.1.2 of the ADR.

2. A copy of this Agreement shall be carried on the transport unit.

3. This Agreement shall be valid until 31 December 2028 for carriage on the territories of those ADR Contracting Parties signatory to this Agreement. If one or more of the signatories revoke this Agreement before that date, it shall remain valid until the above-mentioned date only for carriage on the territories of the ADR Contracting Parties which have not revoked it.
